Dear Mr. Afra Raymond

Effective July 1, 2010 there will be four new appointments in our firm at the most senior levels of which I wish to personally advise.

I have been elected the new Senior Partner and will be replacing Graham Mitchell who is retiring effective June 30 after 28 years of service with the firm.

Sean Ramirez will replace me as Line of Service Leader of Assurance Services. Sean has been a partner since 2004 and has managed major responsibilities within the Assurance Services area.

Brian Hackett will replace Jewan Ramcharitar as Line of Service Leader of Advisory Services. Jewan is also retiring on June 30 after 34 years of service with the firm.

Allyson West will replace Peter Inglefield as Line of Service Leader of Tax Services. Peter is also retiring on June 30 after 34 years of service with the firm.

I am confident that Sean, Brian and Allyson will do an excellent job in their areas of business having gained a wealth of experience over the years.

I also advise that in addition to the above mentioned retirees effective June 30 that Gerald Olliverre, one of our partners in Assurance Services will also be retiring after 32 years of service with the firm.

The contributions by Graham, Peter, Jewan and Gerry are immeasurable. Their leadership skills, outstanding work and dedication over the years have contributed to the success of our firm. I have no doubt that our firm will enjoy access to the wisdom of the four retiring partners.

Mr Afra Raymond

I am also pleased to announce the admission to partnership of Fatima Aziz-Mohammed effective July 1, 2010. Fatima, who will be a partner in Assurance Services, brings over 19 years of unstinting service to the firm.

These are significant changes and for some time now there had been a careful evaluation of the potential successors and the planning of an orderly transition.

I attach for your information brief bios of the new appointees. I can be contacted at any time for any further information required on these new appointments.

Yours sincerely

Colin B Wharfe
